## FOX RAGE Pro Shads

Whether fishing in the surf or in estuaries, the Pro Shad has the old-faithful soft bait design which keeps on producing. The Pro Shad is made from a durable soft plastic which can take quite a beating, but doesn't sacrifice its kicking action. Available in a range of colours for clear and murky waters. The Ultra UV colour design is unique to these baits giving you that added advantage in stained waters and overcast days.

	Code	Description
	NSL770	Colour: Mixed Colour Pack 4.75" (Qty. 5) Ultra UV, Kicking action
	NSL776	Colour: Mixed Colour Pack 5.5" (Qty. 5) Ultra UV, Kicking action

## FOX RAGE Spikey Shads

The Spikey Shad has an incredibly unique design as the soft spikes all over its body allows the bait to give you the maximum amount of vibration which makes it easier for predators to detect the bait. The bait is soft enough to give off a great kicking action, but the plastic is durable enough to take a fair share of hammering. The Ultra UV colour design is unique to these baits giving you that added advantage in stained waters and overcast days.
